STYLISHCOAT - LUCIDO STUCCO

INTERIOR

Mermer desenli yapısı, kadifemsi dokusu kişisel zevke hitap eden Lucido Stucco, yüksek kapatma gücüne sahip olmasının yanı sıra esnek yapısı sayesinde çatlamaz. Oluşturduğu camsı yüzey yüksek ölçüde silinebilme özelliği taşır. Su bazlı olmasından dolayı insan sağlığı ve çevreye zarar vermez.

Lucido Stucco, whose marble patterned structure and velvety texture appeal to personal taste, does not crack thanks to its flexible structure as well as having high covering power. The glassy surface it creates is highly erasable. Since it is water-based, it does not harm human health and the environment.
